Dear Veerapandi,

I am writing to accept your invitation to deliver a guest lecture on the topic of "Generative AI". I am excited to share my expertise with your students.

I have attached my resume for your reference. I have been working in the field of information technology for over 10 years.

I am confident that my lecture will be informative and engaging for your students. I will cover the basics of generative AI. I will also discuss the potential applications of generative AI in a variety of fields.

I look forward to speaking with you soon to discuss the details of my lecture.

Sincerely,

Arul Benjamin Chandru E

### 2. About the Programme

The Department of Computer science with Artificial Intelligence organized a Guest Lecture Program on "Generative AI" for all UG students and PG students, to get a vibrant knowledge on Generative AI and tools. Mr.E.Arul Benjamin Chandru, senior system analyst, IBM, Chennai is the resource person of this programme. Dr.G.Devika, Head, Department of Computer Science, Ms.R.Vasuki is the convener of this programme. While Dr.S.Veerapandi and Dr.G.Parkavi, were the programme coordinators who were organized the programme in a successful manner. Mr.Mohammad and his team, students of Computer Science (AI) moderated the whole event.

The Chief Guest gave information about the Generative AI and its technology and its domination in IT industries. He also guided the students in enhancing their technical skills in Generative AI and also explained salary variation in different IT Domains also its opportunities in the current field. Finally the Programme ended with Vote of Thanks National Anthem. From this Programme, the students are exposed their skills and knowledge and got some ideas about Generative AI.
