- Nothing is truly private, and there are “no take-backs” online and through my mobile device.
- Some people online may try to befriend me who want to harm me.
- It is not my fault if I see something bad accidentally.
- Private family matters should not be discussed online or via text. Instead, I should talk about them with a parent or other trusted adult.
- Never give out my Internet passwords to anyone (even my best friends) other than my parents.
- Treat others online as I would have them treat me. I will never send threatening or mean messages, nor will I respond to any such messages that are sent to me. I will not do anything online that could hurt or anger others or do anything that is against the law
