OBJECTIVE

Dedicated Computer Science Teacher with 6 years of experience in fostering student engagement and understanding of programming concepts. Skilled in curriculum development and innovative teaching methods to enhance learning outcomes.

EXPERIENCE

June 2024-April 2025
Computer Science teacher• Keren Public School.

June 2021-March 2024
Computer science teacher • St.Peter's International School.

June 2017-March 2019
Lecturer - BCA department • The American college.

EDUCATION

- B.Ed. (computer science), Ruby College of Education.
- M.C.A (Masters of Computer Applications), K.L.N College of Engineering.
- B.Sc. (Bachelor of computer science), The American College.

DESCRIPTION

1. Designed and implemented an engaging computer science curriculum for grades 9-12, focusing on programming and problem-solving.
2. Utilized innovative teaching methods to enhance student understanding and retention of complex concepts.
3. Instructed students in various programming languages, including Python and Java, fostering a strong foundation in coding.
4. Developed assessments and projects that encouraged critical thinking and real-world application of computer science principles.
5. Mentored students in extracurricular coding clubs, promoting collaboration and advanced learning opportunities.
6. Integrated technology into the classroom to create a dynamic learning environment, improving student engagement.

SKILLS

Python Programming, Data Structures, Software Development, Database Management, web development.

PERSONAL SKILLS

- Communication
- Ability to explain with ease
- Planning and execution
- Assessment Tools Creative Questioning
- Management
