National Grandparents Day

A Report

September 12, 2022

In Commemoration of National Grand Parents Day on September 11, 2022, Our IT department Celebrated on September 12, 2022 at St. Charles School, Sneha illam.

30 Students and Two Faculty Members went to the Sneha Illam, an old age home . students entertained them with various activities like dance, song and some shared their experience.

Also, our students provided them with lunch by their contribution. There were 40 people in the home , they were happy on seeing the children and enjoyed with them. They all prayed for the well-being of the institution and the children.

The members shared their experience and even sung a song which enlightened us.

The proclamation, establishing National Grandparents Day stated three distinct purposes:

To honor grandparents;

To give grandparents an opportunity to show love for their children's children;

To help children become aware of strength, information and guidance older people can offer.

Were imbibed among our students by this visit.
