POLICY FOR GREEN CAMPUS

POLICY FOR GREEN CAMPUS

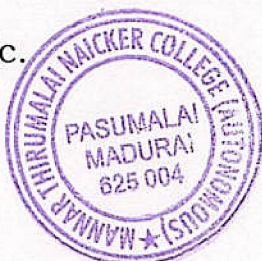

Mannar Thirumalai Naicker College intends to have a clean green campus incorporating ecological congenial advantages and education to encourage well-founded and eco-friendly systems on the campus and beyond it. The green campus provides the organization the prospect to take the lead role in maintaining its green culture by providing environmental ethics among the students and the staff members. The Institution also encourages clean and green campus by following and upgrading environmental-friendly practices among the students and the staff members to generate Eco-consciousness.

Objectives of the Policy

To educate the students on the importance of environment and its protection

Functions:

- To encourage students to keep the environment safe and clean.
- To encourage students to use bicycles/E-bikes
- To encourage students to plant trees.
- To identify the names of tree species.
- To encourage students to adopt environment-friendly practices such as use of paper bags to save nature
- To educate the students to minimize the use of polluting products.
- To train students to create awareness and responsiveness amongst the public.
