Greetings from Sakthi – Vidiyal!

Sakthi – Vidiyal has been working for the cause of children's rights for the past 25 years. I take this opportunity to thank the department of social work of Mannar Thirumalai Naicker College, for being part of the silver jubilee celebrations and joining hands with us in educating young social work professionals.

This year we are planning to organize a one day training on "Understanding Child Rights and Tools for Child Rights Protection" in collaboration with various colleges in Madurai city. The objective of this training is to train social work students in Child Rights and capacitate them to develop skills to work with children.

In this regard we would like to partner with the Department of Social Work of Mannar Thirumalai Naicker College and request you to suggest a suitable date in the third week of August 2019 for this training workshop. Our resource team will come to the college and facilitate the day long training workshop (9.30 am to 4.30 pm) and enhance the knowledge of students with perspective building. A certificate will be awarded to the students at the end of the training

We require the following and request you to make arrangements for the same

- Organize 40 to 50 students who are interested to learn Child Rights
- Arrange a suitable hall to conduct the training
- LCD Projector
