**Internal Quality Assurance Cell
(IQAC)
A Biannual Bulletin**

SECRETARY'S MESSAGE

I am extremely happy that the IQAC of our college is bringing out its second biannual News Bulletin for the year 2017-2018. I am sure that this bulletin will certainly help to showcase the activities that are happening in the campus. It will also help in building team work which is very much essential today in the world of competition. It also provides a platform for exposing the academic achievements of the faculty and the students. It enhances the documentation culture of the institution and creates an impact in the minds of the readers about the institution and creates an impact in the minds of the readers about the institution. I wish the IQAC Bulletin all success in its journey forever in promoting academic excellence.

IQAC CHAIRMAN'S MESSAGE

It is an exciting experience when a thought becomes action. This News Bulletin is one such cherished work that has its roots in the passion to perform. IQAC is the nerve centre of a college because it accentuates academic advancement and quality assurance in response to the growing changes and challenges across the world. I am immensely happy that the IQAC team has come forward to bring out the second issue of its biannual bulletin which would be the snapshot of various activities of the college. I congratulate the coordinator and his team for their efforts in the publication of IQAC Bulletin.

EDITOR'S VOICE

I am very proud and happy that I got the privilege to be the Editor of the second issue of the News Bulletin of IQAC, Mannar Thirumalai Naicker College. I feel doubly blessed because I am the coordinator for both NAAC and IQAC. The Internal Quality Assurance Cell is the live wire of the college that electrifies the staff and students in their multifarious activities. In a sense, it is the conscience keeper of the college as it sets the objectives and coordinates the action. It's been my dream to bring out a Bi-Annual Bulletin which has come true the second time

INAUGURATION OF FOOD AND DAIRY LABORATORY
